PETZ OWNERS
WORLDWIDE!

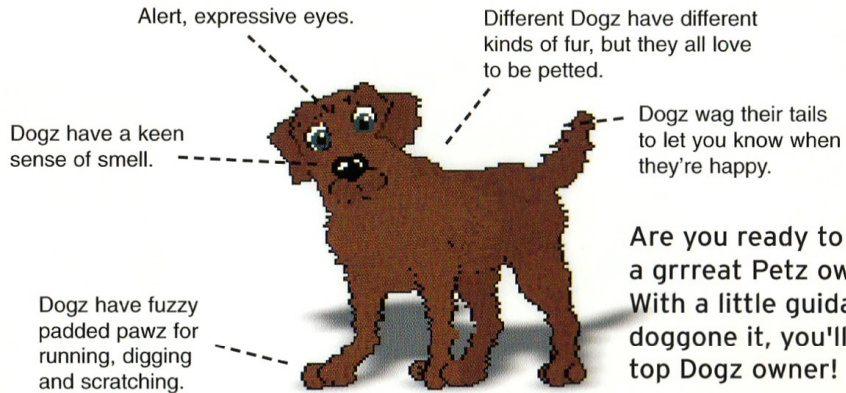

Dogz can't wait to live and play on your computer!

What are Dogz?

Did you know that over 2 million people worldwide already have and love Dogz and Catz? Dogz are virtual Petz that live on your computer. Dogz romp around your desktop and frolic in the fun new Play Scenes. Feed them, play with them, and reward them with yummy treatz. You can adopt as many Dogz as you want to--as long as you take care of them!

Are you ready to become a grrreat Petz owner? With a little guidance, doggone it, you'll be a top Dogz owner!

Dogz are little when you first adopt them, and then they grow up over time into adult Dogz!

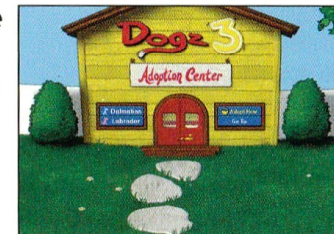

Meet the Breedz!

Dogz 3 comes with 10 breedz of Dogz. Different breedz have different personalities, but every Dogz is unique!

Some Dogz are tall, some are small, some are shy, some not at all! It's up to you to choose your Dogz Breedz and to figure out what type of personality your Dogz has.

Click on "Pick a Pet" in the Adoption Center to see all the different kinds of Dogz. Once you find that special Dogz, you can adopt it by clicking on "Adopt Now."

Dogz Care & Health

Necessities

As the proud owner of virtual Dogz, you must be a responsible caretaker. Your Dogz will be happy if you give them lots of love and attention, a drink of water, a bowl of food, and perhaps occasional yummy Dogz treatz!

Grooming Brush

Water Bowl

Food Bowl

It is also important to exercise your Dogz. But if your Dogz run on the Beach or dig in the Backyard, be sure to groom them with the brush, for that shiny and healthy looking Dogz coat!

A happy, healthy Dogz, is a fun and playful Dogz!

Bone Treatz

Trickz & Treatz

Trickz & Treatz

Your Dogz will let you know how they feel when they bark, growl, whimper or howl.

You can train your Dogz to do trickz by waving tasty treatz or a bone. Reward them when they do trickz for you.

Beefy Treatz

If your Dogz become a little rough (ruff!), you may need to discipline them with the Spray Bottle.

Spray Bottle

Play Scenes!

Play Scenes

Your Dogz will want to roam around and explore all of their Play Scenes. Your Dogz may dig in the Backyard and then scamper to the Kitchen and try and 'paw' treatz from the kitchen cupboard. Or, your Dogz may dodge and bark at the Hermit Crab on the Beach and then lie and sleep by the Family Room fireplace. One thing is certain -- your Dogz will love a change of scenery!

Toyz, Clothing and Accessories!

Toyz

Your Dogz have so many toyz! Balls, Flying Disks, Bubble Machines, Boomerangs, Beach Balls, and Bones are some of their all-time favorites! Throw the ball and play fetch with your Dogz. Teach your Dogz to dance to the grooviest Music Box songs. Go to the Toy Closet to fill all of your Play Scenes with fun toyz!

Clothing & Accessories

Dress up your Dogz with stylish Clothing and Accessories! In the Clothes Closet, you can drag the clothing on and off your Dogz with your mouse. For the latest fashions, go to www.petz.com.

Matchmaking

Create a Family!

Your Dogz can now have puppyDogz that look and act like their parents! There are endless possibilities with breeding Petz!

Music Box

Perfume

Satin Pillow

Heart Candy

You must have a male and a female Dogz that are 'in love.' You'll know your Dogz are in love if they play with each other, groom each other, follow each other around, and bring each other toyz and treatz. Help set the right mood with Aphrodisiacs from the toy closet.

Introduce your Dogz to Catz

Your Dogz can live and play with your Catz! Dogz 3 comes with 10 breedz of Dogz, and Catz 3 comes with 10 breedz of Catz. If you buy both, you have access to more breedz, toyz, and treatz -- **PLUS**, all of your Petz can play with each other.

Depending upon the breedz, Catz and Dogz will generally be nice to each other. However, if your Dogz decides to bark your Catz up the wrong tree, you might want to separate these two and find friendlier playmates!

Hint: There are special toys! Find each one of them! The flower boxes contain flower seeds. Plant them in the backyard and water them using the watering can! See what happens! Beware of the mice and bugs that crawl out if you leave food out!

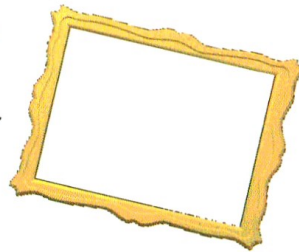

Wave treats over toys to get Dogz to do tricks with them. Hold treats above Dogz to get them to sit up, or to their side to get them to jump or roll over.

Hint: You can color your Dogz with the Paint Can and Paint Brush!

Hint: Male Dogz have a blue dog next to their name, and female Dogz have a pink dog.

Hint: If you neglect your Dogz or mistreat them, they will run away!

Hint: You can hang Picture Frames and Clocks in the Family Room. Right click on the frame to change the picture!

Hint: The Cuckoo Clock tells the actual time!

Is the room a mess? Clean it up by selecting OPTIONS in the menu bar and clicking on "Cleanup Area."
